

Why choose a DGL Accredited Powder Coater™?

DGL Accredited Powder Coaters. Taking the uncertainty out of your project with warranty grade applications that meet strict international standards.

DGL Accredited Powder Coaters:

- ✓ Are your assurance of a quality job and customer satisfaction
- ✓ Are certified by DGL International
- ✓ Follow strict international standards where every project is tested at our Australian Technical Centre
- ✓ Are recommended by DGL International and use quality DGL powder products
- ✓ Have the exclusive ability to issue DGL Alumi Shield™ warranties
- ✓ Are available for projects coated in South East Asia

Look for the exclusive DGL Accredited logo as an endorsement of quality and difference when selecting a powder coater for your next project.

Quality we stand behind

DGL Accredited Powder Coaters are audited and tested for every project they complete. Samples are tested at our Australian and New Zealand technical centres to ensure they meet the required standards for product application and meet Alumi Shield™ warranty standards at all times.

The Accredited Network

Accredited Powder Coaters can be found throughout China, South East Asia, Australia and New Zealand. The Accredited Powder Coater Program aims to connect you with trusted applicators who provide quality work and customer service. So wherever your powder coating project is located, you know the project can be completed with confidence.

Protect your project, get an Alumi Shield™ warranty

Only DGL Accredited Powder Coaters are able to issue DGL Alumi Shield™ warranties after demonstrating their capability to meet stringent quality conditions and international standards. Warranties are made up of a colour warranty (for colour fade and chalking) and a durability warranty (film integrity). Warranties are only valid when applied by an Accredited Powder.
